

The reader will note the tracts with darker colors reflect corresponding higher numbers for that particular group.

D. Tempe's Youth Population

The chart to the right shows that the Youth Population for Tempe (under age 18) proportionately decreased somewhat between 1990 and 2000 and that it is proportionately less than the county as whole. The 1995 Tempe youth population was 32,408 vs. 31,481 in 2000, a decrease in actual numbers of 927.
